NZ Sculpture OnShore

NZ Sculpture OnShore is a biennial exhibition showcasing the work of both established and emerging New Zealand artists to raise funds for victims of domestic violence in New Zealand.

NZ Sculpture OnShore has become a pre-eminent outdoor sculpture exhibition. It has successfully raised over \$1.65m for Women's Refuge over the last 22 years.

The exhibition has grown from Genevieve Becroft's garden to become New Zealand's largest outdoor sculpture exhibition and is now run by over 200 volunteers.

By becoming a valued and appreciated Patron or Contributor you play an important role in the ongoing success of the event. You help not only the National Collective of Independent Women's Refuges but also New Zealand artists.

The Program offers several levels of patronage, each providing significant benefits.
